Creswell High School
Graduated June 2024

Profile

I am a current in my last year of the Graphic Design major at Lane Community College, with the intention of continuing education. I have worked in a variety of design, marketing, and communication positions with a variety of tasks completed. I have the most experience with layout design, but have worked in branding design, marketing design and more.

Experience

Lane Community College Print Lab Monitor

October 2026 - Current

- Help students: Adobe software, printing
- Design and print signage for locations around campus.

University of Oregon Central Business Services Office - Office Assistant

June 2025 - January 2026

- Create and maintain two bi-weekly newsletters
- Plan and organize events and physical deliverables.

Lane Community College Digital Lab Monitor

February 2025 - June 2025

- Work with laser cutter and help students use them correctly.
- Maintain a clean work environment for our machines and students both.

Marketing/Communications Intern at Eugene Family YMCA (sponsored by Connected Lane County)

June 2024 - August 2024

- Create social media posts, flyers, digital signage, and more
- Work with faculty members to work through marketing requests
